

# Electric Vehicle Car Show at United in Faith Lutheran Church, Chicago – Saturday, October 15, 1-3pm

United in Faith Lutheran and St. John's Episcopal will host a car show with hybrid and electric vehicles on **Saturday, October 15 from 1-3pm in the back parking lot between 6525 & 6535 W. Irving Park Rd, Chicago.**

Come to talk to EV car owners, representatives from Faith in Place, and others about electric and hybrid vehicles. Snacks and informational materials about electric vehicles will be available.

If you have an electric or hybrid vehicle that you would like to have featured in the car show at United in Faith on October 15th, please fill in this google form:

<https://forms.gle/QeJzutK8fMFkHTYT7> - any further questions, please call Pastor Carla Thompson Powell at 773-283-2326 by October 10th.

***This EV Car Show is co-sponsored by St. John's Episcopal (Chicago) and United in Faith Lutheran (Chicago).***

This car show is part of the creation care and environmental justice efforts by United in Faith and St. John's to advance renewable and sustainable energy. St. John's (at 3857 N. Kostner Ave., Chicago, IL) has an electric charging station available through EVMatch.
